NEWS BULLETIN-2018

MARANGI MAHABIDYALAYA

P.O. LETTEKUJAN, DOIGRONG-785613, GOLAGHAT, ASSAM

Message from the Principal's desk

It gives me immense pleasure that the IOAC of Marangi Mahabidyalaya is going to publish a News Bulletin from this year. The News Bulletin plays an essential part in a college. It records the notable activities and achievements of an academic year of a college which is very important for the future of the institution. I hope, the News Bulletin of Marangi Mahabidyalaya will perform in a very positive role for the enrichment of the college. I wish all the best to the editorial board of the Bulletin for their honest effort.

Padma Kanta Hazarika
Principal

Editorial

The aim of a college should be to produce adequate and qualified human resources for the socio-economic development of a country. And for that the college has a responsibility to build up the mental ability of the students to attain production based activities attaching with the teaching learning activities. The co-curricular and the extra-curricular activities of an institution may provide inspiration to the students to become self-sustained. And for that a healthy and friendly environment in a college should also be very needed.

Marangi Mahabidyalaya is a rural-based college with a minimum infrastructural facility which, we feel, are not totally satisfactory to ready our students to face the modern competitive world. But yet we are always trying to cooperate with our students to focus their hidden talents.

The News Bulletin is a part and parcel of a college. It highlights and records all the academic, co-curricular, extra-curricular and the achievements of the teacher and students. In other words, The News Bulletin is the mirror of an academic year of an institution.

I am deeply thankful to our respected Principal Sir for giving us inspiration to publish the bulletin. I also offer my heartfelt thanks to the members of the editorial board and the faculty members for their kind cooperation in publishing the bulletin.
