

Meeting NO. 03

Date: 05/01/2017

Today on 5th January 2017, a meeting is held in the IQAC room to discuss about awareness programme on Digital Economy. Presiding over the meeting, the chairperson (The Principal, I/C) of the meeting has welcomed the members and delivered the purpose as well as about the planning for the programme.

Agenda:

1. Discussion on awareness programme on Digital Economy.

Discussion:

The IQAC co-ordinator, Mr. Yugal Tyoti Borah has kept his opinion that an awareness programme on Digital Economy should be taken at the neighbouring areas of the college. People should be known about cashless transaction which is becoming a demanding option from the central government for Digital India. The chairperson adds more that activity as advertisement by involving students too should be shown in front of the people that could be easily understood. All the members agree and the IQAC co-ordinator ^{has} advised that the programme should be done with planning. The date for this programme is proposed on 11/01/17. By giving vote of thanks the IQAC co-ordinator has ended the meeting.

Resolution:

1. One day awareness programme on Digital Economy will be organized in the neighbouring areas of the college on 11.01.17
2. Activity based advertisement will be shown in front of the people to make easily understand about Digital Economy via Digital India.
