

Departmental Field Trips **Political Science Department**

On 28th December 2021, with the Support of our students, Political Science arranged field trips to Sivsagar. The main aim of this trip is to know or show our students the different historical monuments or palaces that have been established during the Ahom period by different kings. As we know, Sivsagar was established by the Ahoms. Before the arrival of Ahoms, the area was inhabited by the indigenous people like Borahis and Morans. History prevails that the Ahom ruled Assam more than 600 (six hundred) years from 1228-1826. Sivsagar was formerly known as Rangpur, the Capital of the Ahom kingdom from 1690-1788. The Ahom have frequently changed their capital and at last it is known as Sivsagar.

Sivsagar district is well known for its Ahom Palaces and its monuments as well as it is also well-known for the tea and oil industries. These Industries greatly help to solve unemployment problems of rural poor youth. It is situated about 360 kilometers north east of Guwahati.

The basic aim to choose this District is to:

1. To understand historical background of the historical monuments of Sivsagar district.
2. Enable the students about the beauty and construction of the historical place of Sivsagar like Kareng Ghar, Rang Ghor, Tolatol Ghar and Shiva Dol.

A special bus was hired for the trip at 5.30 a.m. in the morning and the students reached the bus stoppage where a special bus was ready to take us to Sivsagar. We reached our destination at nearly 10.30 a.m. in the morning. Along with our students we had our breakfast at Joysagar hotel, Sivsagar. After taking breakfast we reached our destination at nearly 11.30 AM in the morning. Firstly, we visit Kareng Ghar which is also known as the Gorgaon palace is located in Gorgaon, 15 km from Sivsagar. The Kareng ghar is one of the greatest examples of Ahom architecture. It is situated on the bank of the Dikhow River. The Palace structures were made of wood, egg, stone etc. In 1747, Parmatta Singha, Constructed the bricks wall of about 5 km in length surroundings the Gorgaon place. It was believed that a secret underground tunnel from Kareng Ghar to Tolatol Ghar in Rangpur which is many kilometers away from this and across the Dikhow River. Our students became happy and really enjoyed to visit Kareng Ghar and after that we moved towards to see another historical monument Rong Ghar.

The Rong Ghar is two storied buildings which once served as the royal sports – pavilion where Ahom kings and nobles were spectators of game like wrestling, buffalo and elephant fight especially organized during Rangali Bihu festival. It is 3 km away from the centre of the Sivsagar town. History reveals that the building was first constructed during the region of Swargadeo Rudra Singha with bamboo and wood. It was taken rebuilt with brick by Swargadeo Pramatta Singh in 1744-1750 A.D. After visiting the Rong ghar we moved towards to visit Talatal Ghar .

Talatal Ghar was built by famous Ahom King Swargadeo Rudra Singha when he shifted the Capital from Gargaon to Rongpur west of Sivsagar town. It was built for the purpose of serving as a military base for the Ahom Kings. It has two underground tunnels as well, connecting the Talatal Ghar and the Gargaon palace with the Dikhow river. It was as an emergency exits during wars. Lastly we visit the Shiva Dal.

The Shiva Dol (Temple of Lord Shiva) which is situated in Sivsagar town, It is believed that it is the tallest temple in India. The Shivadol is a group of structures comprising three Hindu temples of Shivadol, Visnudal and Devidal. The height of the Shivadol is 104 feet. On the bank of Sivsagar tank, queen Ambika constructed the Shiva dol in 1733. Here we focusing a beautiful park around the temple. The park is located in an area elevated from the ground on the bank of the Borpukhuri. In the year 1734, Queen Ambika wife of king Shiva Singha, built this pond and named it after her husband. It is approximately 130 acres.

Really it was an amazing trip for all of us. We saw a lot of valuable movements which became unbelievable. We are very grateful to our students that they systematically arranged and made the trip success. There is no doubt that Sivsagar and its surrounding areas can be developed in alternative tourist spots. If Government take necessary steps to preserve all those Ahom monuments then they will attract large number of foreign tourists and earn a lot of foreign exchange.

Some photos during the field trips can be illustrated as below

**A Report
On
One Week Educational Guidance Programme
To
The Teachers and Students
Of
Gidi Basti LP School
15th June 2022 Onwards**

**Organised by
Department of Political Science
Marangi Mahavidyalaya**

Introduction

Educational guidance is a process of assisting the students to reach optimum educational development. It is a sort of guidance that is only rendered to the student community. It helps them to understand their own rights and help them to understand how education can help to know their ability, to know their surroundings and to know how create themselves to effective citizen.

By taking into consideration about this view, the authority of Marangi Mahavidyalaya has decided to organize educational guidance programme at the nearby educational institutions. This one –week Educational Guidance Programme to the Teachers and Students are done at Gidi Basti LP School from 15th to 24th June, 2022.

Objectives:

The main objectives of this programme are

1. The prime objective is to promote educational awareness among the students along with develop their intellectual and physical quality
2. To enable the child to know in details about the subjects and course offered by schools that they might attend.
3. To help them to adjust to the curriculum.
4. To help the students in developing good study habits.
5. To help the students to know the purpose and function of different types of schools.

Explanation:

As per the specification given by the college authority Jayanta Borah, Assistant Professor in Political Science has gone to Gidi Basti LP School for educational guidance programme om 15th June 2022. An inaugural session has been organized in the presence of Head Master, teaching staff and students of the school. Mr. Borah has said about the importance of educational guidance programme for teachers and students. Mr. Dadul Borah, HM of the school has also expressed his view regarding the programme and welcome Mr. Borah and the department of Political Science to the school for that great purpose.

During the one week programme the classes have been held on various topics like cleanliness, health, yoga, preparation for examination, punctuality, discipline, culture etc. Taught by Mr Jayanta Borah, Mr. Malabya Mohan Bora, Mr Cheniram Hazarika, and Dr Kakali Borah.

Outcomes:

This one week educational guidance programme helps the students to overcome difficulties in learning some subjects and to make them fit for future programme in educational carrier, and also helps the students to choose the subjects in accordance with their needs, capacities and interest.

Conclusion:

It is a one week programme which has been completed on 24th June 2022 .At the last day examination has been held among the students to examine their understanding and progress from that one week programme.

After the end of the examination a valedictory session has been organized where the HM has given the appreciation letters to the department of Political science as well as to the faculty members of the department for the successful completion of that programme. The HoD Mr. Jayanta Borah has delivered vote of thanks to the school family for that active support and co-operation.
