<p>8 Institutional Distinctiveness</p>	<p>matters related to the college.</p> <ul style="list-style-type: none"> • The College distinguishes itself from other institutions by offering an affordable, student-centered education to diverse students. Founded in 1990 as a rural base college encompassing TGL community, to serve the downtrodden people is its distinctive priority. Our college gives priority to promote education for poor students of all communities of rural background as the poor students can't afford their education in urban colleges. • Another distinct area of our institution is to uplift the girl students with keen care, providing various life-skilled courses like Cutting and Kitting Course, Beautician Course, Workshop on Mega Cultivation, Diya Making Workshop, Workshop on Goods Production from Water Hyacinth etc. with free of cost. Moreover, free health checkup camp, women related medical awareness programme, free napkin distribution etc. are also done for the wellness of the girl students. • Ours is the college in the MarangMounts. We are very fortunate that college has well qualified and friendly faculty members in different departments. They are always ready to help and guide the students in their needs. Hence, students from rural backward, weaker sections are very much benefited from our faculty members. This is our major focus which makes us distinctive in performance of the institution. • This college is comprised of students, faculty and staff who significantly possess differing attributes based on race, ethnicity, gender, sexual orientation, disability status, national origin, age, political affiliation, religion and other characteristics. Such Diversity grounds and humanistic pursuits provide us with opportunities for discovery and ways to integrate all stakeholders of the college into a larger community, respecting and valuing the uniqueness of each other. The college thus prepares its students for life and leadership within a diverse society and to cope with the changing scenario of higher education & modern demands in the context of globalization.
