## 7.1.4 Additional Information

Marangi Mahavidyalaya is committed to social responsibilities as a higher educational institution. As responsible citizen of the country, every member of the College performs duties for the society. The college has been taking initiative for promoting tolerance and harmony among students, employees and local people. The college gives priority to sensitizing students and employees about the cultural, regional, linguistic diversities and sensitizes them to the constitutional obligation. The college has organized following programmes for providing an inclusive environment.
