Findings:

The donation camp has been started at 11.a.m till 4.p.m. The medical team with their instruments started checking the blood pressure and weight of each donor. After that they have started taking the samples from Teachers, students and participants from villagers for 1 (one) unit blood for each person.

Total 30 blood units were collected. Lastly a certificate and i-card were distributed to the donors from the Blood Bank Official for future use.

Conclusion:

After taking out the sample the medical team offered water, then a plate was arranged with some items like Rasgulla, an orange, cake, and an egg and also to take adequate rest to the donors for recovery. A tea treat was arranged from NSS Unit and RRC for the medical team and donors. A lunch was also arranged in the college canteen by the NSS Unit for the Medical Team and in-charges of RRC and NSS Unit. After that a short meeting was held for the ending session of the programme.

The Programme Officer of NSS Unit gave thankful note to the medical team for making the programme successful. And from the medical team also thanked the college authority as well as NSS Unit and RRC for organizing such an awareness programme and Blood Donation Camp.

At the last they expressed their good feeling and togetherness of bonding with our college in the near future. Then our RRC in-charge gave vote of thanks and the meeting ended.

Introduction:

A FREE HEALTH CHECK-UP CUM AWARENESS PROGRAMME ON HIV/AIDS has been organised by Red Ribbon Club, NSS Unit and RIEC of Marangi Mahavidyalaya on 11. 07.22 At Purabangla Bagicha M.E. School. The in-Charges and members of the organising team, College Union Body members along with two grade-IV of the respective cell have arrived the said venue approximately at 9.15 a.m. The school authority has co-operated and given a hall to conduct the programme. Our team then started arranging equipment for the programme. We have announced that the programme would be started at 10.a.m and the people would gather there on that particular time. The College Union Body members have been appointed as volunteers. The medical team from Swahid Kushal Konwar Civil Hospital, Golaghat have also arrived at 9.30 a.m. (approximately). The school authority along with other two colleagues has been present at time. The nearby people have started gathering right from 9.45 a.m. onwards. And also, our college principal along with few assistant professors has been also present.

Objectives:

The main objectives of the programme are:

- To aware the nearby village people or areas about the current disease problem and to health check-up from zero age to old age including pregnant lady.
1. To engage those village people (especially the poor people) under the college and to help them directly from the health-centre.
 2. To have a healthy relationship with the nearby government hospital for further institutional and health activities in the society.

Explanation:

The programme was started at 10.am. Mr. Jayanta Borah, in-charge of NSS Unit hoisted the meeting. Our college principal, Mr. Mohan Boruah was invited to the dais along with the Medical Officer, Dr.ModhusmitaBhuyan. They have been felicitated by PhulamGamusha and requested to keep their valuable speech for the programme. First of all, our college principal thanked Red Ribbon Club, NSS Unit and RIEC of

MarangiMahavidyalaya to arrange such a programme which is very essential for health issues and also thanked the medical team for the co-operation. The medical officer kept her speech by delivering valued words regarding health issues. She spoke up about N.K.Flieties, HIV/AIDS, Covid/Omicron and also other Gynaecologist related health issue. How to keep away from all those diseases and what to do after caught by those diseases? And by keeping time she concludes her speech by saying to co-operate all the people present in the meeting and make the programme success. Then the meeting ended by college principal's vote of thanks.

The Union body who were the volunteers of the program, they collect the names of the participants in the awareness program as well as the patient names, phone numbers and signatures.

Findings:

The free health check-up started right from 10.30 a.m. The first patient was the school authority who was caught by high pressure and cough. Dr. Madhusmita Bhuyan along with her team like medicine chamber looked after by a pharmacist, sample collection was there for other patient by two nurses, two ASHA consultants were there for the pregnant patient and a medical supervisor who had looked after the medical team. Medicines have been given after the check-up if it required or prescribed by the physician. They have done their duty perfectly up to 4.30 p.m. as there were 72 patients on the very day.

The organiser have arranged a tea – break for 10 minutes and lunch break for 20 minutes among the medical team, school authority, organiser team and the union body.

Conclusion:

After the health checked –up ended a short meeting was held. Mr. Chitra Ranjan Mili, in – charge of RRC thanked the medical team for their worked done in the day and how much it was required for the area people which is seen. He also said that why that venue has been chosen and it is due to the school is situated at a roadside pick point, so all the

FREE COVID VACCINATION CAMP

A FREE COVID VACCINATION CAMP has been organized by Red Ribbon Club at Marangi Mahavidyalaya on 1st August, 2022. This vaccination was arranged with the objective to get vaccinated among the college staff and the students. As the Red Ribbon Club had come to the knowledge that the teachers have not yet taken the third dose or Booster Dose and the students have taken only upto first dose and a few have taken second dose. Therefore, it is decided to arrange this programme for the well-being of Marangi Mahavidyalaya. Nearby village people were also informed by the Red Ribbon Team about the vaccination programme at college.

On 1st August, 2022 at 9.30.A.M the medical team arrived at college, and approximately at 10. A.M the programme started. The college Principal greets the medical team for responding college request for the programme and asked them to have a great day for the programme, and also insist the Red Ribbon Team of the College and College Union Body to help the medical team for the success of the programme.

From Marangi Health Centre , the medical team like one Lab Technician(SW), two nurses(ANM) and one ASHA along with their equipments were present on the very day. The members of the Red Ribbon Club, and the College Union Body were all present in the programme till the end. On that day total of 124 people were got vaccinated like College Staff: Teaching and Non-Teaching, Students along with nearby peoples. This could be said that the programme have become success or the people were aware of covid-19 disease to protect themselves from it.

In the mid of the day there were two break time: firstly, Tea and Snacks, secondly Lunch, were provided for the medical team as well as volunteers. The programme ended approximately at 4.00 P.M. and at the last, the organizing committee gave a note of thanks to the medical team for the day programme and future to meet for college programmes.

Introduction:

'Kill the mosquito, before they kill you', is one of the slogan for Dengue awareness programme. The World Dengue Day 2022 theme is "Be Protective and Defend Against The Dangerous Dengue." The message of this theme is of being proactive in preventing the spread of dengue. The Dengue Awareness Programme cum Free Health Check-up was organized by NSS and Red Ribbon Club of Marangi Mahavidyalaya in collaboration with VKNRL Hospital on 26.11.22 at Kenduguri L.P. School.

Objectives:

1. To aware the Kenduguri village people about the dengue disease and its prevention.
2. Free Health Check-up for nearby college village people through such programmes.

Explanation:

Firstly, the NSS and Red Ribbon Club of Marangi Mahavidyalaya along with the VKNRL Medical Team reached to the said venue: Kendugri L.P. School campus. Already the village people were gathered there and the medical team started their registration for health check-up. And thereby Mrs. Karobi Saikia, the doctor from the medical team started health check-up and prescribed medicines were distributed from the medical pharmacy department. As the school was going on the first half of the day, and after the school ended, the dengue awareness programme was held. There were lots of village people gathered and the doctor of the medical team delivered a dengue awareness speech. From the college team, two of the union body students, Mr. Tinku Saikia and Miss Anjumoni Boro presented their speech in front of the audience about the virus and its prevention. There were a clear conversation among the village people and the medical team about the disease, its prevention and treatment.

Dr. Karobi Saikia delivered speech on Dengue Awareness.

Student Union Body of Marangi Mahavidyalaya delivered speech on Dengue Awareness.
