Introduction:

Vaccination is the administration of a vaccine to help the immune system develop immunity from a disease. Vaccine contains a microorganism or virus in a weakened, live or killed state or proteins or toxins from the organism. Japanese Encephalitis (JE) Vaccine is a vaccine that protects against Japanese Encephalitis, which is very common in the local area of Marangi. One of the most effective ways we have to protect ourselves and other from illness is good personal hygiene. This means washing hands, especially but also the body, personal hygiene for women.

Objectives:

The objectives of the programme are-

1. To discuss about the importance of vaccine.
2. To discuss about the need of taking Japanese Encephalitis Vaccine.
3. To discuss about the importance of counseling on health and hygiene.
4. To know about how to maintain health hygiene mainly by women.

About the Programme:

For maintaining health and hygiene, a JE Vaccination and counseling programme has arranged by the Women Cell of Marangi Mahavidyalaya on 14/12/2021 in association with Marangi Primary Health Centr, Golaghat. In this programme counseling was given by a programme manager Aftab Hussaion about the importance of VE Vaccine. Afterward near about 60 vaccine were given to the students as well as teaching and non-teaching staffs of the

college. At last GNM nurses deliberated theoretically and showed practically to the girls about maintaining health and hygiene during menstruation period.

Outcome of the Programme:

Through the programme about 60 students, teaching and non-teaching members were vaccinated and all the girls students were given counseling by the GNM nurses about maintaining personal hygiene during menstruation.

Conclusion:

The programme done by Women Cell of Marangi Mahavidyalaya (Degree) was seen to be a very fruitful one. All the beneficiaries of the programme were got highly benefitted from the programme.

Introduction:

Donate blood Save life is the motto of this Programme. To aware the people of the neighbouring area of the college and the students a blood donation camp is held at the college campus. The Blood Donation Camp as well as awareness programme was organised by Red Ribbon Club and NSS Unit at Marangi Mahavidyalaya (Degree) on 23rd December 2021. A medical team from Swahid Kushal Konwar Civil Hospital, Golaghat was invited for the programme.

Objectives:

The main objectives of the programme are

1. To aware the people about Blood Donation.
2. To collect blood from the people and the students.

Explanation:

First in the college auditorium the awareness programme has been held. The programme has been started at 10.a.m. and ended within an hour. In the programme the medical team was felicitated by the In-Charge of the Red Ribbon Club and Programme Officer NSS Unit of the College. Dr.Rupom Duwara, in-charge of Blood Bank of Swahid Kushal Konwar Civil Hospital, Golaghat delivered a speech on the importance of donation of blood and its effects on human beings and participants from two nearby villages named Phuloni Gaon, the adopted village of the college and another nearby village Sumoni Gaon. He speaks out the logo of blood donation as Donate Blood Save life! He also explained that by donating blood one can save one's life. Another followed by a lady Blood Bank counselor named Mrs. Biju Bora has delivered valuable speech on the blood donation and its significance by the voices: "Rokto Daan Mohaan Kaam".

Findings:

The donation camp has been started at 11.a.m till 4.p.m. The medical team with their instruments started checking the blood pressure and weight of each donor. After that they have started taking the samples from Teachers, students and participants from villagers for 1 (one) unit blood for each person.

Total 30 blood units were collected. Lastly a certificate and I-card were distributed to the donors from the Blood Bank Official for future use.

Conclusion:

After taking out the sample the medical team offered water, then a plate was arranged with some items like Rasgulla, an orange, cake, and an egg and also to take adequate rest to the donors for recovery. A tea treat was arranged from NSS Unit and RRC for the medical team and donors. A lunch was also arranged in the college canteen by the NSS Unit for the Medical Team and in-charges of RRC and NSS Unit. After that a short meeting was held for the ending session of the programme.

The Programme Officer of NSS Unit gave thankful note to the medical team for making the programme successful. And from the medical team also thanked the college authority as well as NSS Unit and RRC for organizing such an awareness programme and Blood Donation Camp.

At the last they expressed their good feeling and togetherness of bonding with our college in the near future. Then our RRC in-charge gave vote of thanks and the meeting ended.

Introduction:

Creative Activities refers to the act of creating something by thinking, art, artistic creation or production, the creation of beautiful or significant things. It is the act of creating something by removing something.

Creative activities by the students are possible when they are able to use imagination and critical thinking to create new and meaningful forms of ideas, where they can take risk, be independent and flexible. Instead of being taught to reiterate what was ability to find various solutions to a problem. The female students of the department of Economics are not exceptional. They are expert in making various decorative items using waste materials and other useful materials.

The students have shown various decorative items made by themselves to the teachers of the department. The teachers of the department have felt proud of their students and the teachers and students decide to organise a workshop on creative activities.

The matter was discussed with the principal and Co-ordinator, IQAC of the college. The Principal advised to organise the workshop in association with Research, Innovations and Extension Cell at the adopted village "Phulani Gaon" on 24th December 2021. Accordingly, the Department of Economics has decided to organise that workshop at "Phulani Gaon" and taken permission from the President of the Village Development Committee, "Phulani Gaon".

About the Village:

The Village "Phualni Gaon" is 2 KM far away from the college and situated beside the N.H.39. The village is adopted by our college for the all round development. Many awareness and cleanliness programmes like cleanliness of the village road, drainage, sanitation, drinking water, Health, COVID-19 were organised there by the college. The people of the village are very co-operative and they also feel proud to be the part of our college. They have actively participated in any programme organised by the college. There are more 200 people in the village; all are well-educated and rich in cultural activities.

Objectives of the Workshop:

The major objectives of the workshop are-

1. To teach the women the ways of self-employment.

2. To teach them to make decorative items with the waste materials.
3. To empower the women through the workshop.

Materials Used:

The students of our Department have brought materials like fevicol, glue gun, art papers, colour bottles, glitters, scissors, socks, bindi, ribbon, dish etc for the purpose of making the decorative items in the workshop.

Explanation of Workshop:

The organising committee has reached the venue of the workshop at 10:30 AM and the girls and women of the village have already reached the venue. At the beginning of the workshop, the introductory speech was given by Nava Kamal Borah, convenor of Research, Innovations and Extension Cell, IQAc, Marangi Mahavidyalaya. Sjt. Norendra Nath Dutta, the eldest and prominent person of the village was felicitated with a Phulam Gamucha by the students of the Department. He inaugurated the workshop with a encouraging speech which would encourage the students and the participants of the workshop and he also wished and appreciated the Department of Economics for organising such type of workshop outside the college which helps our students, girls and women of the village to reflect their creative mind and reuse of the waste materials in decorative items.

also requested all the participants to co-operate our students for successful and effective completion of the workshop.

At 11:30AM the workshop was started and our student Miss Anuradha Bora has made flowers from coloured paper and the women and the girls of the village have learnt the process of making flowers easily. They have shown their interest towards the workshop and happily trying to make other items. After that, Miss Janmoni Sharma has made decorative items like flowers, trees using waste materials like nutshell, papers etc. Another student Miss Porobita Borah has made beautiful toys using socks, ribbon and bindi. The toys are seen very beautiful and she has made them easily in a very Short period of time.

The participants were seen very excited by involving themselves in the workshop.

The Village Development Committee of the village has arranged a tea party both for the organising committee and the participants in the workshop. We also brought some sweets for the workshop.

Outcome of the workshop:

The village girls and women have enjoyed the workshop happily. They have made many different items as shown by our students, they discussed among themselves to make such types of items in such a manner that they will be able to sell them in the fairs organised by different NGOs and SHGs for earning money.

Conclusion:

At the end of the workshop Assistant Professor, Mrs. Monikankona Bodo has given vote of thanks especially to the Village Development Committee for giving the opportunity to arrange the workshop at their village and to the oldest person Sjt. Norendra nath Dutta for this presence at workshop and his valuable speech. She has also been thankful to the women and the girls of the village for their active participation and encouragement at the workshop. The workshop was ended at 2PM with lots of positives support from the participants and the people of the village.

Introduction:

A field trip or an excursion is a journey by a group of people to a place away from their normal environment. Field trip is an organized visit of teachers and students to immediate or distant places to enrich learning experiences and to further instructional purposes of regular classroom activities. Life in the classroom can cover only a small part of our total life. If learning is to result in the total development of the learners, must go beyond our school/ college walls in to the community as students and as working participant.

As a part of study we, the department of Economics have decided to go to the Assam Co-operative Jute Mill Ltd. Situated at Silghat of Nagaon District on 28th of December 2021.

On that particular day the teachers of the Department, 22 nos. of students have the journey from the campus of Marangi Mahavidyalaya to Silghat at 7 A.M. The Assam Co-operative Jute Mill is situated approximately 104.9 K.M. from the college. We have reached the Mill at about 10 A.M. by a bus reserved by the Department. Along with the field study we have arranged a picnic on the bank of the River Brahmaputra which is flowing nearby the Mill. We have had our breakfast there and started our journey to the Mill as directed by the supervisor Mr. Gogoi and reached there by 11 AM.

The Co-operative Jute Mill was registered in the year 1959 under the Assam Co-operative Societies Act. and the Mill commenced its commercial production in 1970. The Mill is situated on the South bank of the river Brahmaputra located at about a distance of 8 km from Jhakkhalabandha. The location of the Mill is very beautiful with hill and river. The place is a great archaeological and historical value as it has Kamakhya Temple, Trishuldhari Temple, Samantagiri, Simolagarh and some heritage Bungalows of British era, Gandhi Asthidham etc.

Objectives of the Field Study:

The main purposes of our field trip to the jute mill are –

1. To study the production process, raw materials and technology used in the Mill.
2. To study the employment opportunities provided by the Mill to the local people.
3. To Study the working environment within the Mill.
4. To study the impact of the Mill on the environment.
5. To study the various services provided to the employee.

Methodology:

During the study at the Mill the primary data are collected and some secondary data also collected from the official documents of the Government of Assam. A simple questionnaire was prepared for students to collect the primary data.

The methods which are used in the study are Descriptive and Historical.

Benefits of the study:

This field trip has helped our students to gather knowledge about the history of the Jute Mill, its current position, production per year, its volume of export to other states of India, the technology used in the production process, total number of permanent employees and temporary workers engaged in the Mill. The students are able to collect the data using the questionnaire and they have succeeded in fulfilling the objectives of the study. They have also known from the study that other various products like decorative items, beautiful bags, ropes, wall hangings etc. can be made from jute. These type products have great market demand and it helps them to earn money. Thus, the Mill provides employment opportunity to a large number of local people.

From this study the students are able to realize that it is not an easy task to work inside the the Mill with high volume of machinery sounds. The workers do their works in a very noisy environment which may deteriorate their health. So the students have realized the importance of dignity of labour by visiting the Mill.

They are also able to realize that the local people who are engaged there on contractual basis are expert in their works.

Besides, the students have got the opportunity to visit the various historical temples situated beside the Mill like Kamakhya Dewalaya, Trishuldhari temple etc. Such types of holy places help the people to develop spirituality and give heavenly peace to them.

Conclusion:

After completing the study, we have returned from Silghat at about 3P.M. with lots of knowledge, experiences and positive vibes. The journey has make the students joyful and thought it as a great job for them.

Summary of the project:

Muga Silk is native of Assam and named after Assamese word "Muga" which indicates the amber (brown) colour of cocoon. *Antheraea assamensis* is the scientific name of Muga silkworm. The species was first described by Johann Wilhelm Helfer in 1837. It is largely found in Assam in Northeast India where 99% of its production occurs. Muga silk is a variety of wild silk geographically tagged to the state of Assam in India. The silk is known for its extreme durability and has a natural yellowish golden tint with a shimmering, glossy texture. It was previously reserved for the use of royalty. From time immemorial many ethnic and tribal groups have produced Muga silk.

Uniqueness of Muga Silk:

- > It has a natural shining golden colour.
- > Muga silk is a stain free fabric.
- > Muga silk fabric is the second costliest fabric in the world next to pashmina.
- > Muga silk is precious durable, lustrous strongest silk among the all types of natural silk.
- > No artificial dye is required.
- > Everlasting colour stability. The golden colour is increased after every wash instead of decay of shine.

Muga silk remains a classic item that every woman desires to own, however its traditional outlook, an non-versatility makes the demand a little niche. Nevertheless, the fabric does have a global connect specially in Japan where designers are using it to make 'Kimonos' and other traditional Japanese dresses.

One day training programme on “ Diya Making” to develop the creativity among the students.

Date:22/11/2021

Reports on Diya Making :

Introduction: Diya is Basically a symbol of the Victory of good over evil, brightness over darkness, and truth over falsity. The diyas not only make diwali, the festival of lights, but they also symbolize the supremacy and consequence of brightness over darkness. On diwali, it is a tradition to light 3days. According to beliefs, all these diyas hold great importance. It is believed that 13 diyas protect against negative energies and bad spirits.

On the other hand, creativity training can improve ideational innovation in college students. Furthermore, creativity training has positive effects on both divergent thinking test and project performance. Creativity engages different learning styles. Creative methods enable engagement through a variety of learning styles. Creativity allows us to view and solve problems more openly and with innovation. Hence faculty of Education department has decided to organise a training programme on 'Diya Making' with the collaboration of KVK khumtai Under Agriculture university.

Objective of the programme:

Diyas symbolise goodness and purity and lighting them denotes dispelling darkness and going into light and since Deepawali is celebrated on the new moon day , a time of darkness, every where light these lamps are a means to get rid of darkness. Lighting the lamps also denotes dispelling anger, greed and other vices.

About the Programme : On 22/11/2021 the department of education had organized an one day Diya making training programme for the girls students of the college. There were 21 students attended the programme and learnt a lot from the programme. Mrs. Mridushmita Borthakur ,subject matter specialist of KVK Golaghat came as instructor of the programme.

Findings of the training Programme:

Participating in this programme ,the girls came to know about the techniques and skills to make decorative Diyas. It is a way of self dependent by learning by doing. The girls were very happy to participate in this programme. The programme was beneficial to all the participants.

FIELD TRIP TO TEZPUR: DEPARTMENT OF EDUCATION

Introduction:

A field trip is an important part of education. It has a great importance or significance in the field of education, that enhances the critical thinking, skills and knowledges of the students. It gives students a chance to think about a topic or theme from different perspective. Several students don't get to experience the typical field trip locations with their families. A college trip gives students the chance to experience new venues. A field trip is a trip to a factory, educational institutions, historical sites, farm ,museum etc. by the students and teachers for the purpose of gathering first hand information.

Importance of field trips:

1. It helps in the socio-economic growth of the students.
2. Erases classroom boredom.
3. Increases social interaction.
4. Access to different environments.
5. It increases the environment of interactive learning.
6. Develop positive attitudes, values and motivates the students for higher studies.

Field trip requires significant planning and co-ordination for teachers and administrators. It will give an educational experience that they never could have had in the classroom. Therefore a field trip was organized by the department of Education and History on 28th December, 2021 to Tezpur.

Tezpur at a Glance:

Tezpur is a city of Sonitpur district, Assam, India. It is located on the bank of the river Brahmaputra, 175 km northeast of Guwahati and is the largest city of the north bank cities. Tezpur is reached by air from Kolkata directly. An alternative way to travel to Tezpur is by road from Guwahati, which has a direct air link with New Delhi and Kolkata. It is around 4 hours drive from Guwahati, the capital of Assam. The distance between Marangi Mahavidyalaya to Tezpur is 125.8 km.

In the trip 45 numbers of students and 5 numbers of teacher incharges were going to Tezpur from both the departments of Education and History of Marangi Mahavidyalaya.

Visited sites:

1. Tezpur University:

Tezpur University is a Central University located in Tezpur, in the North-Eastern state of Assam, India established by an act of parliament, in the year 1994. The objectives of this Central University as envisaged in this statutes are that it shall strive to offer employment oriented and interdisciplinary courses to meet the local and regional aspirations and the developments, needs of the state of Assam. The University ranking by National Institute Ranking Framework is 46 in 2021.

The students visited the whole campus of the university with the help of security provided by the university. The students are also visited the Central library of the university. The assistant librarian Jitumoni Das was talking with our students about how to use library, e-books, e-magazines etc. Students are highly appreciated to see this library. Some students took photographs rare and costly books on some related topics of their syllabus. There are 1 lakhs 20 thousands books in the Central Library of Tezpur University.

2. Historical Sites :

Historical sites visited by the entire team were Agnigarh, Chitralekha Udyan and Darbatia.

Findings of the the Field trip:

1. The trip gave immense pleasure and refreshment to the students.
2. It has greatly encouraged the students for higher studies after visiting Tezpur Central University.
3. The rich environment of the Central library of Tezpur University, increased the student's interest and attraction to read books in library.
4. It provided the opportunity to learn the rich culture of ancient Assam, by visiting Agnigarh, Chitralekha park etc., which has great educational value.
5. The students got the opportunity to learn about the art and architecture of ancient Assam.

After all the students as well as the entire team enjoyed a lot by this journey. The Students are asked to write the field report on the visited sites by the teacher in -charges of the department.

The ^{International} World Human Right's Day is celebrated in our department on 10th December 2021. Human right is essential in every individual being and without these rights we can not develop our personality. Through celebrating this day our department discuss about the utility of human rights which become prominent in every part of life. In this regard Jayanta Borah views the importance of human right in day to day life. Again Cheninam Hazonika also says about the origin and development of human rights. In this context, Malabya Mohan Borah and Dr. Kakali Borah points out women's discrimination as well as child labour and how it violates the human rights and also recommended some suggestions to remove such problems, and aware the students towards human rights.

4. Departmental Field Trip on 28/12/2021.

On 28th December 2021, with the support of our students, Political Science Department arrange field trip to Sivrasagar. The main aim of this trip is to know or show our students the different historical monuments or places Palaces that have been established during the Ahom Period by different kings. Here, we show the historical monuments as Shiva Dole, Rang Ghar, Kareng Ghar, Tolatal Ghar, Sivrasagar Pond etc.

Sivrasagar District is well known for its Ahom Palaces and its monuments as well as it is well known for tea and oil industries. These industries greatly helps to solve unemployment problems of rural poor youth. It is situated about 360 kilometers North East of Guwahati.

Thus, it was a great trip for all of us and we saw a lot of valuable monuments which became unbelievable. We are very grateful to our students that they systematically arranged and made the trip success.

Introduction

Mobile phone is one of the most influential media of communication in the world during this time. Most of the students of the world use this media of communication in different purposes. On the basis of use pattern, we find both positive and negative impact in the academic life of the students.

Objectives of the Programme

1. To make aware the students about the use patterns of the mobile phone
2. To make aware the students about the negative impact of over uses of mobile phone.

Explanation:

The programme is conducted by the department of sociology on 22nd December, 2021. Three teachers of the department namely Dr Akhil Borah, Tribeni Bora and Dr Pankaj Boruah participated in the Programme.

The Head-master of the school with the students participated in the programme. The programme is started by Dr Akhil Borah, HoD sociology highlighting both positive and negative impact of using mobile phone among the students. In the programme it is tried to make the students understand how over uses of mobile phone affect in health, education, environment, behavior and in social interaction. A question-answer session is kept in the agenda and so, the students attended in the programme asked different questions to Dr Akhil Borah regarding the effects of over uses of mobile phone. The Students attended in the programme were greatly satisfied with this programme and requested to arrange such type of programme again in this school.

The Mech is an ethnic group belonging to the Bodo-Kachari group of peoples. It is one of the scheduled tribes found in different parts of Assam. Kali Bari Chuk village is one of the village of Assam situated in the eastern part of Tezpur town. The distance of the village from Golaghat is about 143 kilometers. This village has a heterogeneous character in case of population structure. Bodo (the Mech is belonging to this community), Deuri, Nepalis, Chutia and Koibortta are the significant community of the village. The Mech is the major community so, the students have decided to conduct the study on this community of the village. This village is a historical one; because some historical monuments are found in the village like 'Dr Bhupen Hazarika Samadhisthal', Ban Raja Pahar, Bhairab Mandir etc.

The Mech community has its own customs, traditions, language and many other socio-cultural characters. But in the study the students found that most of them have lost their traditional character and have accepted some new ones like customs, tradition, religion, language etc. It indicates their socio-cultural changes in their life. So, this study aims to explore the *socio-economic changes of the Mech Community of Kali Bari Chuk village*.

Findings

1. This study helps the students to learn the techniques of data collection
2. This study helps the students to gather researchable knowledge

Conclusion:

The study in Kali Bari Chuk village is a necessary one which will help the student to gather new knowledge regarding the socio-cultural changes of the Mech Community.

Historical Significance of the City: Tezpur is famous for its rich History, old temple and many architectural things which are scattered in many places of the city. Tezpur is derived from the Sanskrit word Teza (Meaning Blood) and Pura (Meaning town or city) it is associated with the romantic legend Usha and Anirudha and fierce battle between Hari Hara.

Education Significance of The City: There is one of the most important Central University in Tezpur.

Objective of the Tour:

1. To visited the Historical places of the city.
2. To introduce them to the students that how the historical places attracted the tourist form various places
3. To introduce how the historical places important for a state to earn revenue.
4. To visited the Central University of Tezpur.

Visited Sites:

1. **Tezpur University:** TezpurPur University is a Central University located in Tezpur, in the north eastern state of Assam. The University Ranking by National Institute Ranking Farmwork is 46 in 2021. The students visited the whole campus of the University with the help of security provide by the University. 3. Agnigarh:

This is another tourist attraction place in small hill beside River Brahmaputra. According to legends, Darang was the capital of the Demon king Banasura, an ardent follower of the Bhairavnath incarnation of Lord Shiva. To Banasura beautiful daughter Usha appeared her lover in a dream, whom Citralekha, her friend partnered for her in a painting. The portrait was Anirudha, the grandson of Krishna, the king of Duaraka. Usha decided to marry him but Usha's father arrested Usha and Anirudha and interned on a hill top called Agnigarh a rampart surrounding by fire. Lord Krishna immediately came to the rescue of his grandson. A devoted of Lord Shiva, Bana appealed to the latter for help. A battle ensue between Hari and Hara and great bloodshed was took place. The ruins of Agnigarh, where this immortal romance blossomed, still bear mute testimony to this legend. Since the town has been called Sonitpur or Tezpur meaning, a town tainted with blood. In that place, a landscaped garden with exquisite sculptures, soft illumination and cascading waterfall keep the legendary romance alive.

4. Citrlekha Udyan :

It is known earlier as Cole park, was establish by Mr. Cole, a British Deputy Commissioner. These remnants can still be seen here in the form of ornamental stone pillars and other sculptural relics. It is the most beautiful garden in Tezpur with its central lake, water facilities, lush green walk ways and small amphitheatre.

Introduction:

International Mother Language Day is observed on 21st February every year to promote linguistic and cultural diversity and multilingualism worldwide. It is part of a broader initiative to promote the presentation and protection of all languages used by peoples of the world. The 2022 International Mother Language Day's theme is using technology for multilingual learning, Challenges and opportunities. The Institutional Values and Best Practices Cell of Marangi Mahavidyalaya had organized a competition on spelling test and word finding in Assamese dictionary at Dholaguri M.E. School in the occasion of World Mother Language Day.

Objective:

The main objective of this programme are—

- 1) To maintain the regular practice and encourage the students to find out words and its meaning in dictionary in a proper way.
- 2) To teach the technique to seeing word in dictionary in a easy method.
- 3) To make aware the students about spelling mistake.
- 4) To create awareness about International Mother Language Day among the students.

Discussion:

In the morning of 21st February 2022, a team of four teachers of Marangi Mahavidyalaya had reached to Dholaguri M.E. school at 9.30 A.M. The school had arranged a meeting to welcome the teachers of Marangi Mahavidyalaya. In the meeting, Mr. Yugal Jyoti Borah, Co-ordinator IQAC, had delivered a speech on International Mother Language Day and it's important for our society. After the meeting, the competition of spelling test and word finding in Assamese dictionary was started as one by one. The competition was conducted by Dr. Chewari Sarma and Mrs. Tribeni Bora. Almost 40 students had participated in those competition and they performed very well in both competition. The result are—

Introduction:

International Women's Day is a global day celebrating the social, economic, cultural and political achievements of women. It is celebrated in variety of ways worldwide, observed socially or locally to celebrate and promote the achievements of women. This year the Women Cell of MarangiMahabidyalaya(Degree) decided to felicitated a local rural energetic women and organized a workshop by the energetic self-variant personality and her self-help group to some of the students of MarangiMahabidyalaya.

Objectives:

The Women Cell has fixed three objectives for the programme-

1. To encourage good behavior and competitive spirit.
2. To encourage the local energetic women and her role played in society.
3. To give vocational knowledge to the students.

About the Programme;

On the special day, the Women Cell of MarangiMahavidyalaya(Degree) decided to give honor a local brave energetic rural women named SrimotiSwarnalata Dutta. She was felicitating by the Women Cell Of the college and the workshop programme was started. In this programme 25 girls' students were trained about making different product like bags, flower, pot, decorative goods etc. by using water hyacinth by Swarnalata Dutta and members of self-help group. After that a small celebration of tea and snakes party was held by the Women Cell of MarangiMahabidyalaya(Degree) with all the members present there in the programme.

Introduction:

World Environment Day is celebrated on 5th June as a means of awareness about the conservation of our environment. It helps in preventing the earth from the effects of Global Warming. Since Global Warming is the root cause of the ruin of our environment. On this special day, saplings have been planted in the college campus and nearby barren land which will flourish the land area after some years.

Objectives:

The main objectives of the Programme are:

1. To plant saplings to save the environment.
2. To aware the children about environmental problems

Explanation:

On the occasion of world Environment Day, the N.S.S. Unit of Marangi Mahavidyalaya has decided to plan tree and distribute sapling to the nearest lower primary school named Gidibasti LP School. For this purpose the Programme Officer of N.S.S. unit of the college collected sapling from the nearby Nursery.

On that particular day, N.S.S. Unit has planted some sapling at the college campus and after that the Programme Officer along with one of his colleague Mr. Malabya Mohan Borah and 20 number of N.S.S. volunteers have

gone to Gidibasti LP School to distribute the sapling. After distributing the sapling, some saplings have been planted at the School Campus.

Mr. Dadul Borah, the Head Master of the school has also actively participated in the programme. After planting the sapling sweets and snacks have been distributed among the students of the school.

Outcomes:

1. The programme has helped the students to know why the tree has been planted and why the environment has been saved.
2. The programme has no immediate outcome but it will make the location green in near future.
3. The programme has succeeded in motivating the students to plant trees not only on that day but in other day too.

Introduction:

The International Yoga Day has been celebrated across the world annually on 21st June since 2015, following its inception our college has decided to celebrate the Day under the supervision NSS Unit of the college since 2019. On 21st June 2022 the International Yoga Day has been organised by IQAC and NSS Unit at the college in association with Kreedha Bharati & Nehru Yuva Kendra, Golaghat in collaboration with Sewa Bharati. The programme has been inaugurated by the respected principal of the college. Yoga practitioner Sri Bhriku Nath Lohar.

Yoga is a physical, mental and spiritual practice which originated in ancient India. Yoga embodies unity of mind and body through an action restraint and fulfilment, harmony between man and nature, a holistic approach to health and well-being.

Objectives:

The main objectives of celebrating the Yoga Day are-

1. To encourage the participants to grow the habit of doing yoga daily.
2. To teach them how yoga keeps us physically, mentally and spiritually fit.

Explanation:

On 21st June 2022 the International Yoga Day has been celebrated in our college auditorium. The Co-ordinator of IQAC Mr. Yugal Jyoti Borah has welcome the students and the participants to the programme and described the importance of the day.

The students of the class I and II were teach about alphabet and words. And the student of class III to V were teach about word and spelling also. Our teachers took some oral test on General Knowledge at class.

On the occasion of 'Bishnu Rabha Divas' we have organized a programme on 20th June aware about the contribution to Assamese Culture of Bishnu Rabha at the school with the teachers and students. In the last day on 23rd June, the programme was finished after taking a written test among the students of the school.

Outcome:

1. This one-week guidance programme helps the students to overcome difficulties in learning their own subjects.
2. The students fail to gain success in the curriculum if the subjects do not occur according to their intellectual level and interest. So we try to encourage them to make expectations about their studies.
3. It is very important that the students should be prepare themselves for the future plan. We try to share the information about future education by prepare with general knowledge.
4. We were making busy the students in the learning process by motivating them for learning increases their awareness to receive the achievement.

Conclusion:

The one-week educational guidance programme was completed successfully at 'No-2 Doigrong L.P. School with the guidance of departmental team and the corporation of the school teachers also the programme was running smoothly. At the end of the programme the headmaster of the school has offered vote of thanks to the college authority along with the Assamese department.

Introduction:

The District Library Golaghat is situated at the district head quarter of Golaghat. It has been established for public use. A visit to the District Library Golaghat has been organized by the Department of Economics in association with the Central Library of Marangi Mahavidyalaya on 3rd June 2022. The students of the department along three faculty members and Librarian have started the journey at around 11 am from the college and reached there by 11.45 am.

Objectives:

1. To create enthusiasm among the students for reading books.
2. To familiarize the students about the proper use of a library.
3. To teach the importance of a library in day to day life of a human being.
4. To inform the students on management of a library.

Explanation:

With the above mentioned objectives the team has reached the library. The librarian of that library has given warm welcome to the team and she has shown each and every room which have been filled with book shelves and the arrangement of the books.

The librarian has lead the students to the digital room and showed the process of selecting books there. She has also shown the facilities for the differentially abled.

Introduction:

The Department of Economics has organised a survey on Health and Hygiene Status among the Women Workers at the B.G. Gate Tea Estate on 10th June 2022 in association with Research, Innovations and Extension Cell of Marangi Mahavidyalaya. The B.G. Gate Tea Estate is situated near by the college. Therefore, the Department has decided to do a study on the working women' of the tea estate. On that particular day the weather was rainy but the esteem participants have decided to do the study on that day.

Objectives:

The study has been done on the basis of the following objectives-

1. To involve the students in survey activities and for getting practical experience from survey.
2. To study the health conditions of women workers of the tea estate.
3. To find out what kind of medical facilities are available for them in the tea estate.
4. To suggest some health care ways to them.

Explanation:

The team has reached the village at 11:30 am and a young person of that tea estate has guided the team for their study and he helped some respondents in understanding the questions.

On the basis of the questionnaire they have started their study by entering the households. The team has been divided in groups of three members. They have asked the questions very politely and smartly and the respondents have answered each question properly.

Best Practice no 1
Department of Education

Title of the Practice: Monitorial classes at Nearby Schools by students

1.Introduction:

Monitorial system is an educational system which was formerly used by many charity schools that consisted in employing other pupils to teach the younger ones. This method of monitorial system is applied to Doigrong Bagicha M.E. School by Institutional Values and Best Practices Cell of IQAC Marangi Mahavidyalaya.. The college has taken a decision to increase the teaching skill of the students of Marangi Mahavidyalaya and also to keep a good relation with nearby school. On the basis of this decision, the responsibility has given to the Development of Education by college authority. The Department of Education has started to monitor continuously Doigrong Bagicha M.E. School from the year 2017.

2.Objectives:

1. To increase the teaching skill among the students of the department of education.
2. To maintain a smooth relationship with nearby school.
3. To increase the teaching environment and intellectual development through the help of this programme.
4. To assist the school in teaching- learning method..
5. To encourage and create motivation for the service of teaching among the students of of the education department.

3.TheProgram:

Doigrong Bagicha M.E School is situated in a rural as well as tea garden area and the students are came from poor economic background. Most of them are came from tea-garden area, whose parents could not help in their studies as they are working daily laborer and mostly which are illiterate. College has taken the opportunity to support them in their educational life through monitorial system. It is also an unique experience for the students of the college to teach younger pupils and also helps to attract the school's students for the study by this monitorial system. Under the Supervision of the Department of Education, the student of the department start to monitor the students of Doigrong Bagicha M.E. school in their academic aspect. During the period of monitoring, it is come to know that the students attend their classes regularly. As extracurricular activities like, recitation, quiz, extempore speech and some other cultural

activities and sports competition are organized by the college students for mental and intellectual development of the students of Doigrung Bagicha M.E School.

4. Outcomes of the Program:

The programme, monitoring and educational guidance of Doigrung Bagicha M.E School has able to achieve a great success as a best practices of the college. The success can be measured in following ways-

1. Students of Marangi Mahavidyalaya have motivated for teaching profession by this special experience of teaching.
2. The students of the college have acquire knowledge about how to handle little children and able to feel the mental conditions of small children.
3. Through this programme it is helped to make a good relation between Doigrung Bagicha M.E School and Marangi Mahavidyalaya, and also has helped to create a co-operative working situation.
4. Through this programme, the teaching skill of the college students has increased.

Report about the 1 week "Educational guidance programme"

Date: 24th June 2022

By
Department of Education
Marangi Mahavidyalaya

"Educational Guidance is a conscious effect to assist in the intellectual growth of an individual" - Brewer

Educational guidance is a process of assisting the individual student to reach optimum educational development. It is a sort of guidance that is only rendered to the student community.

Educational guidance helps the students to understand their own rights and help them to understand how education help them to know their ability, know their surroundings, and how create themselves to an effective citizen. That means educational guidance helps them to understand importance of education in their life. Educational guidance is very important for a student during his school life.

Hence we, the department of Education, Marangi Mahavidyalaya, have selected one nearby LP school name "Bogidhola Bagan LP school" for guiding the students in the different areas of Education.

About the School : Bogidhola Bagan LP school is under Golaghat district of Assam and is situated within 2 K.M distance from our college. The school was established in 1948 and was provincialized under the Govt. Provincialisation act 2013. Before provincialised , the school was under the jurisdiction of Bogidhola Bagan (tea garden). There are 71 students in the school and most of them are from tea tribe community. One Anganwadi centre is also attached with the school. The Bogidhol Bagan L.P School is a single teacher school and is situated under the Elephant affected area. This school was severely affected by elephants in many times. Therefore, the school infrastructure is not up to the mark.

How a single teacher can controls all the five classes at a time? It's quite impossible. Hence our departmental faculties have chosen this school for educational support and planned to do one week special guidance classes following the guidelines of IQAC, for this purpose our faculty members and the students of our department have strongly participated in the programme for succeeding the mission.

Main Objectives of the mission :

The main objectives of the educational guidance programme during the period are like- –

- To help the pupils in selecting the co-curricular activities.
- To help the students in developing good study habits.
- To assists the children in using their leisure time most profitably.
- To help the child in building of a good social- relationship.

For achieving these objectives, we have selected few activities for the purpose for the young kids. Like-

- Knowledge of 3 R's.
- Letter game from A-Z.
- Simple arithmetical techniques of counting, adding, subtracting.
- Identify the various colours and different colouring techniques, using in pictures, at the time of drawing pictures.
- Habit formation of Yoga practices for physical and mental well being of the young kids.
- Using of vowels in word construction practices.
- Moral education through 'story telling' method also try to the speaking skills among the students.
- Singing and dancing practices with their peer partners.

We know that through music and dance children learn new things like sounds, words and patterns. They can explore and control their body movements. These activities are great for the development and stimulation of the connections in the growing brain. It also allows kids to express themselves.

After the successful completion of the 7days guidance programme we prepared an evaluation sheet for the young kids so that we can evaluate their progress and development, as a result we find that majority of them have shown very good results.

It proves that hard work and co-operation have positive influence among the students.

We heartily thanks to the head master of the school for giving us the opportunity to guiding the little buds and hope for the future opportunity to serve the future generation.

Introduction:

Educational guidance is a process of assisting a student to reach optimum educational development. It is a sort of guidance which brings student community to understand their own rights, duties and responsibility regarding formal education, school, surroundings etc, and the most how to create themselves to an effective citizen for future. This is what educational guidance provides to a student for better life.

Objectives:

1. To uplift the students from school level to degree level.
2. Motivating students on various fields of education to go for higher education.
3. Ensuring students about aim in life, thy career building and to lead a better life in future.
4. To provide an understanding and responsibility man to society.
5. To guide them to solve his or her problems by own.

Explanation:

Being an English Department, we have been chosen an English Medium School nearby college named: Arya English Academy. It is situated in Sumoni Gaon, Purabangla, P/o: Lettekujan, Pin: 785613, Dist: Golaghat, Assam. It is half an km far from college campus. In the school there is one Head Master, and twelve teachers. The surrounding of the school is greenery with the branches of trees and a garden of bamboo trees and flowers, thus leading a good atmosphere in the school. The infrastructure of the school is good to its level. Though it is private school rendered by a private school committee, the classroom for each class is available though it is not a building but brick walled rooms. According to the head master, the motto of the school is to bring the students to their ability, understanding the concerns, career building from school level and to provide good man or woman to the society.

The educational programme was done for one week or seven days including a MCQ test (Multiple Choice Question) in the last day. It started from 15/06/22 to 23/06/22. I have been given the seven standards and second period for class, from 9.45 am till 10.30 am. The total student of the class is 38 (Thirty- eight) and out of it 36 (thirty-six) were present regularly. The students were very active and co-operative in the class. And the teaching -learning process run swiftly.

In the classes I have taught or gave knowledge about Communicative English basically on skills in learning any language. Why it is important and how to cop -up with the skills. In the next class, I have taught about English Literature, terms of literature, and its importance in

education. In the third day, I have given information on Environment, its resources in India, especially in Assam, its protection and preservation as well as how to keep school environment in preservation and protection. In the fourth day, on Yoga and Health, I have demonstrated in the class regarding its importance and effectiveness in our health. And how to keep our health healthy by adopting good health tips, fitness and avoid the hazardous things from our day-to-day life. In the fifth day, I have taught about Use of Plastic and Pollution. Avoid use of plastic and adoption of healthy concerns instead of plastic. How to pollute less and to control pollution with various remedies that could be adopted. On the sixth day, Computer education (basic) has been taught as it was new to the students in the school. Some were familiar but most of them are unaware of computer education. I have taught about the importance of Computer in today's life and the basic functions, the online procedures, and also about India government step for Digital India. And in the last day or Day 7, I set a test with Multiple Choice Questions setting regarding the weekend learning of the students.

During teaching and learning period.

During MCQ question paper distribution.

Outcomes:

The outcome of the one-week educational guidance is found good to a level. From the total student 38, 36 students were present in the test. The total mark of the test was 20 out of 10 questions. Each question carries two marks. And from the 36 students, 35 students obtained full marks and only one student obtained 18 marks. Thus, from the result of the MCQ test, I have come to know that the teaching-learning process of the weekend becomes successful.

Introduction:

Educational guidance: Educational guidance a process of assisting the individual student to reach educational development. It is a guidance that is rendered to the student community. It helps the students to make right choice, as well as make adjustments in relation to school, curriculum courses and school life which contribute to the all-round development. In the words of Dunsmoon and Miller, "Educational Guidance is primarily concerned with the student's success in his educational career. It relates to the student's adjustment to school and to the preparation and carrying out of suitable educational plans in keeping with his educational needs, abilities and career interests."

Educational guidance refers to that guidance that a students need during school life. It helps them to solve the problem that they face in school. Therefore the department of history, Morangi Mahavidyalaya decided to give educational guidance to the well as teachers in the nearby B.G.K. Lower Primary school. All the students of B.G.K. L.P. School are from the tea garden Labourers community. Most of the guardians are illiterate. The faculties of the department of history want to guide the students by one week Education Guidance from 15th June 2022 to 24th June 2022.

Objectives:

1. To Guide the students regarding their studies, especially in English Language.
2. To help the students to know about their different potentialities.
3. To guide the students as well as Teachers to overcome the problems face by the school.
4. To assist the children in using his leisure time most profitably.

The Programme:

The Faculties of the department taught the students about how to learn English language in a easy way. Our college face the various problems from the students which are admitted in the College from nearby school, because maximum students are found to be poor in English language. Therefore, the faculties of the department decided to teach the students of these schools about English grammar and some words which are very useful to their day to day life. The faculties selected the students of class IV and V to teach English language. The three faculties of the department (Dr.Mamoni Mahanta, Mr.Atul Borah and Miss Rujmai Begum) alternatively offered the classes. After the completion of the classes on 24th June 2022, we organized an examination among the students. It's our peasure to mention that the students did well in the examination. In the programme some books, colour pencil, glue etc are also distributed among the students.

6. World Environment Day Programme on 5/06/2022

Our department celebrated World Environment Day on 5/06/2022. The main theme of World Environment Day 2022 is to 'only one earth' with the focus on 'Living Sustainably in harmony with nature'. The main aim of celebrating this day is to raise awareness ^{among the students} about environmental issues, the increasingly deteriorating conditions, climate change etc. If we fail to protect our environment, we will put the lives of humans, animals, plants and more at risk. So, in the particular day along with our student we planted tree in our college campus as well as also in 'Gidhi Bosti' L.P. school campus. Therefore, to protect our environment, we must discard plastic and use jute, paper, or cloth in its place. Abhorrence is another essential way to save our trees and forests. A clean environment is essential for us to lead healthy and fulfilling lives.

Introduction

Educational guidance is a process of assisting the students to reach optimum educational development. It is a sort of guidance that is only rendered to the student community. It helps them to understand their own rights and help them to understand how education can help to know their ability, to know their surroundings and to know how create themselves to effective citizen.

By taking into consideration about this view, the authority of Marangi Mahavidyalaya has decided to organize educational guidance programme at the nearby educational institutions. This one –week Educational Guidance Programme to the Teachers and Students are done at Gidi Basti LP School from 15th to 24th June, 2022.

Objectives:

The main objectives of this programme are

1. To promote educational awareness among the students along with develop their intellectual and physical quality
2. To enable the children to know in details about the subjects and course offered by schools that they might attend.
3. To help them to adjust to their curriculum.
4. To help the students in developing good study habits.
5. To help the students to know the purpose and function of different types of schools.

Explanation:

As per the specification given by the college authority Jayanta Borah, Assistant Professor in Political Science has gone to Gidi Basti LP School for educational guidance programme om 15th June 2022. An inaugural session has been organized in the presence of Head Master, teaching staff and students of the school. Mr. Borah has said about the importance of educational guidance programme for teachers and students. Mr. Dadul Borah, HM of the school has also expressed his view regarding the programme and welcome Mr. Borah and the department of Political Science to the school for that great purpose.

During the one week programme the classes have been held on various topics like cleanliness, health, yoga, preparation for examination, punctuality, discipline, culture etc. Taught by Mr Jayanta Borah, Mr. Malabya Mohan Bora, Mr Cheniram Hazarika, and Dr Kakali Borah.

Outcomes:

This one week educational guidance programme helps the students to overcome difficulties in learning some subjects and to make them fit for future programme in educational carrier, and also helps the students to choose the subjects in accordance with their needs, capacities and interest.

Conclusion:

It is a one week programme which has been completed on 24th June 2022 .At the last day examination has been held among the students to examine their understanding and progress from that one week programme.

After the end of the examination a valedictory session has been organized where the HM has given the appreciation letters to the department of Political science as well as to the faculty members of the department for the successful completion of that programme. The HoD Mr. Jayanta Borah has delivered a vote of thanks to the school family for that active support and co-operation.

Objectives of the study

1. For acquiring knowledge in sociological field study
2. To know how to collect primary data

About the process of the Study

After taking permission from the principal of the college, we the teachers of the department decided to go for a field study at Gidi Basti. So, the six semester students (Honours Course) were notified to themselves ready for the study at Gidi Basti on 16th June '2022. The purpose of the study is to explore the living standard and economy of tea-garden community of Gidi Basti. The Tea –garden community of Assam is a significant community which has their own economy and living standard. Now, some of the people of this community has changed their living standard and their Economy for joining in different jobs and business activities.

For this study, the students of the department reached the village (Gidi Basti) and started their data collection. At first they met the VDP secretary and collected some basic information about the village and noted it down. After that, they started their house to house data collection with the help of the interview schedule.

After completion of the data collection on that very day, the students were asked to prepare a report on the topic **Living Standard and Economy of Tea-Garden Community: A Sociological Study in Gidi Basti of Golaghat District of Assam.**

Introduction:

Educational guidance is a process of assisting the students to reach optimum educational development. It is a sort of guidance that is only rendered to the student community. It helps them to understand their own rights and helps them to understand how education can help to know their ability, to know their surroundings and to know how create themselves to effective citizen.

By taking into consideration about this view, the authority of Marangi Mahavidyalaya has decided to organize educational guidance programme at the nearby educational institutions. This one-week Educational Guidance Programme to the Teachers and Students are done at Phuloni Bari L.P. School from 15th to 23rd June, 2022.

Objectives:

The main objectives of this programme are-

1. To direct, pointout and show the proper path of student's life.
2. To provide some helps or assistance to the students for developing themselves to the desired direction.
3. To assist the students in getting information about further education.
4. To help the students to adjust to school, its rules and regulations and the social life connected to it.
5. To assist them in selecting hobbies.

Explanation:

The programme is guided by the department of Sociology, Marangi Mahavidyalaya aiming to guide both the teachers and the students of the school about various academic and social activities.

Introduction:

A **FREE HEALTH CHECK-UP CUM AWARENESS PROGRAMME ON HIV/AIDS** has been organised by Red Ribbon Club, NSS Unit and RIEC of Marangi Mahavidyalaya on 11. 07.22 At Purabangla Bagicha M.E. School. The in-Charges and members of the organising team, College Union Body members along with two grade-IV of the respective cell have arrived the said venue approximately at 9.15 a.m. The school authority has co-operated and given a hall to conduct the programme. Our team then started arranging equipment for the programme. We have announced that the programme would be started at 10.a.m and the people would gather there on that particular time. The College Union Body members have been appointed as volunteers. The medical team from Swahid Kushal Konwar Civil Hospital, Golaghat have also arrived at 9.30 a.m. (approximately). The school authority along with other two colleagues has been present at time. The nearby people have started gathering right from 9.45 a.m. onwards. And also, our college principal along with few assistant professors has been also present.

Objectives:

The main objectives of the programme are:

To aware the nearby village people or areas about the current disease problem and to health check-up from zero age to old age including pregnant lady.

1. To engage those village people (especially the poor people) under the college and to help them directly from the health centre.
2. To have a healthy relationship with the nearby government hospital for further institutional and health activities in the society.

Explanation:

The programme was started at 10.am. Mr. Jayanta Borah, in-charge of NSS Unit hoisted the meeting. Our college principal, Mr. Mohan Boruah was invited to the dais along with the Medical Officer, Dr.Modhusmita Bhuyan. They have been felicitated by Phulam Gamusha and requested to keep their valuable speech for the programme. First of all, our college principal thanked Red Ribbon Club, NSS Unit and RIEC of

MarangiMahavidyalaya to arrange such a programme which is very essential for health issues and also thanked the medical team for the co-operation. The medical officer kept her speech by delivering valued words regarding health issues. She spoke up about N.K.Flieties, HIV/AIDS, Covid/Omicron and also other Gynaecologist related health issue. How to keep away from all those diseases and what to do after caught by those diseases? And by keeping time she concludes her speech by saying to co-operate all the people present in the meeting and make the programme success. Then the meeting ended by college principal's vote of thanks.

The Union body who were the volunteers of the program, they collect the names of the participants in the awareness program as well as the patient names, phone numbers and signatures.

Findings:

The free health check-up started right from 10.30 a.m. The first patient was the school authority who was caught by high pressure and cough. Dr. Madhusmita Bhuyan along with her team like medicine chamber looked after by a pharmacist, sample collection was there for other patient by two nurses, two ASHA consultants were there for the pregnant patient and a medical supervisor who had looked after the medical team. Medicines have been given after the check-up if it required or prescribed by the physician. They have done their duty perfectly up to 4.30 p.m. as there were 72 patients on the very day.

The organiser have arranged a tea – break for 10 minutes and lunch break for 20 minutes among the medical team, school authority, organiser team and the union body.

Conclusion:

After the health checked –up ended a short meeting was held. Mr. Chitra Ranjan Mili, in – charge of RRC thanked the medical team for their worked done in the day and how much it was required for the area people which is seen. He also said that why that venue has been chosen and it is due to the school is situated at a roadside pick point, so all the

Report Regarding CMIPP

Following the instructions given by the Director of Higher Education, Assam under the scheme of **CMIPP** commencing from 15th July/2022 to 15th August/2022, coinciding with the completion of the yearlong celebration of "AZADI KA AMRIT MAHOTSAV" 45 numbers of saplings were planted in 300 sq. meter of plot. Student Union Body & the volunteer of NSS were also involved the programme. The saplings were collected from the Kohara Range, Social forestry. To maintain and look after the sapling, 3 persons from the nonteaching staff were appointed by the college authority. The scheme taken by the Government is very appreciative as such plantation may definitely create an eco-friendly environment in the institution as well as the entire natural atmosphere.

FREE COVID VACCINATION CAMP

A FREE COVID VACCINATION CAMP has been organized by Red Ribbon Club at Marangi Mahavidyalaya on 1st August, 2022. This vaccination was arranged with the objective to get vaccinated among the college staff and the students. As the Red Ribbon Club had come to the knowledge that the teachers have not yet taken the third dose or Booster Dose and the students have taken only upto first dose and a few have taken second dose. Therefore, it is decided to arrange this programme for the well-being of Marangi Mahavidyalaya. Nearby village people were also informed by the Red Ribbon Team about the vaccination programme at college.

On 1st August, 2022 at 9.30.A.M the medical team arrived at college, and approximately at 10. A.M the programme started. The college Principal greets the medical team for responding college request for the programme and asked them to have a great day for the programme, and also insist the Red Ribbon Team of the College and College Union Body to help the medical team for the success of the programme.

From Marangi Health Centre , the medical team like one Lab Technician(SW), two nurses(ANM) and one ASHA along with their equipments were present on the very day. The members of the Red Ribbon Club, and the College Union Body were all present in the programme till the end. On that day total of 124 people were got vaccinated like College Staff: Teaching and Non-Teaching, Students along with nearby peoples. This could be said that the programme have become success or the people were aware of covid-19 disease to protect themselves from it.

In the mid of the day there were two break time: firstly, Tea and Snacks, secondly Lunch, were provided for the medical team as well as volunteers. The programme ended approximately at 4.00 P.M. and at the last, the organizing committee gave a note of thanks to the medical team for the day programme and future to meet for college programmes.

Report on Har Ghar Tiranga Programme

On August 15, 2022, India celebrated its 75th Independence Day and to mark the event more successful, the government of India is organizing several events under 'Azadi ka Amrit Mohatsav' with theme of Nation First always First. On Government Instructions, Marangi Mahavidyalaya also come forward to mark Azadi ka Amrit Mohatsav and marched as a part of *Prabhat Pheris*. *Prabhat pheris* are organized in our college to create awareness among students, staff and all others including guardians and neighbors' about Har 'Ghar Tiranga' campaign from 13th to 15th August 2022. In *Prabhat pheris*, students with tricolors, marched in rows, raised slogans including 'Vande Mataram', 'Jai Hinds' as part of the Azadi ka Amrit Moutsav. Along with *prabhat pheris* we organized guardians meet at 9 am on wards to create awareness among them towards independence and give flags them to hoist in the day of independence. The Government take initiative for lunching such type of programme is to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. It devotes that our relationship with the flag has always been more formal and institutional than personal. The idea behind the initiative is to invoke the feelings of patriotism in the hearts of the people and to promote awareness about the Indian National Flag. Some photos of this programme can be illustrated as under-
