Introduction:

With the aim of skill development, students support and progression cell had organized a skill development course on beautician and make-up course from 15th June to 20th August 2019. The main aim of organising such type of programme is to strengthened and economic dependent of the students of weaker section. Because more of the students comes to the institutions from tea garden areas . Therefore, the main aim of the institution is to provide good education along with the taking initiative for their economic upliftment. In this context, student support and progression cell have taken various initiatives for providing self employment opportunity.

The three month training course had been given by a instructor Nabajyoti Saikia. In this course more than thirty girls regularly attended and had greatly benefited from it.

Objectives: The basic objectives of this programme are

- ❖ To encourage the girls students economically through providing three month beautician course.
- ❖ To facilitated the earning source of the girl's students along with their educational classes.

Explanation:

To fulfilled these objectives Students Support and Progression Cell decided to conducted a three month Beautician and Make up Course in Marangi Mahavidalaya(Degree). This course was successfully conducted by the training instructor Nabajyoti Saikia. She had fruitfully trained our students on threading, facial, Hair-cutting, Bridal Make-up etc. She had successfully ended this course with the full support of our interested girls students. Our college authority had given full support to organised this course This programme had really encouraged our girls students to strengthened their economic condition and become capable to overcome their problems that they faced in day to day life. At the end of the course the participants given certificate of participation which will be helpful to their future engagement.

Outcomes:

By participating this course the girls acknowledged the various techniques on how to threading, bridal make-up, facial, haircutting, manicure pedicure etc. After successfully completion of the course the girls became really encouraged and helped to engaged themselves as a helper in nearby Beauty parlour through providing certificate.

Conclusion:

Student Support and Progression Cell under IQAC was really happy to organised and successfully completed three month Beautician Course for the weaker sections of the girls. Because majority of the students comes from the Tea garden area and remote areas. Such type of course really helped our students to strengthened their economic condition and aware of different social and political issues.

Introduction: For empowering and skill development, of the students support and progression cell under IQAC, Marangi Mahabidyalaya (Degree) organised a Fifteen Day (15) training [programme on Cutting and Knitting. To organise this programme, we take permission from our principal sir and after his kind confirmation, we have decided to organise this programme from 11th December to 28th December 2021.

Objectives of this programme: Objectives of this programme are –

1. To facilitated the earning source of the girl's students along with their regular educational classes.
2. To empower the students economically with less consuming capital.
3. To provide free training facilities to the rural and poor students of our college.

For empowering our students as well as to enhance their skill development, our cell has organised the cutting and knitting programme for 15 days in the year 2021 at the college campus. In this programme we invited training instructor Noyani Borah. And fruitfully trained our students on Blouse cutting, Peticotts cutting, and kurti's as well as trained the students how to stitch the falls etc. She successfully ended this programme with the full support of our students and with support of our principal sir to organise and carry our programme successfully.

Findings:

1. This programme really encourages our students (girls) on the basis of their attendance. And they opined that through this training, they acquired extra knowledge on cutting with less capital.
2. According to the girls, the training programme is the best opportunity for them to self empower through cutting wearing on cutting blouse pettekut, as well as stitch the sari's falls.
3. They also opined that due to the busy schedule of their CBCS syllabus, the time of training programme became short. If they provide more time for such type of self employment programme then they will be really self employed which indirectly help to fulfil their basic day to day needs.

Conclusion: we are really thankful to our authority for arranging such type of programme which greatly helped our girl's students for strengthen their economic condition. Our college is situated in a rural area and lots of students are belonging to the below poverty line. Therefore, the students support and progression cell under IQAC successful in organising such type of programmes for student's benefits along with their time bound CBCS course.

FREE COVID VACCINATION CAMP

A FREE COVID VACCINATION CAMP has been organized by Red Ribbon Club at Marangi Mahavidyalaya on 1st August, 2022. This vaccination was arranged with the objective to get vaccinated among the college staff and the students. As the Red Ribbon Club had come to the knowledge that the teachers have not yet taken the third dose or Booster Dose and the students have taken only upto first dose and a few have taken second dose. Therefore, it is decided to arrange this programme for the well-being of Marangi Mahavidyalaya. Nearby village people were also informed by the Red Ribbon Team about the vaccination programme at college.

On 1st August, 2022 at 9.30.A.M the medical team arrived at college, and approximately at 10. A.M the programme started. The college Principal greets the medical team for responding college request for the programme and asked them to have a great day for the programme, and also insist the Red Ribbon Team of the College and College Union Body to help the medical team for the success of the programme.

From Marangi Health Centre , the medical team like one Lab Technician(SW), two nurses(ANM) and one ASHA along with their equipments were present on the very day. The members of the Red Ribbon Club, and the College Union Body were all present in the programme till the end. On that day total of 124 people were got vaccinated like College Staff: Teaching and Non-Teaching, Students along with nearby peoples. This could be said that the programme have become success or the people were aware of covid-19 disease to protect themselves from it.

In the mid of the day there were two break time: firstly, Tea and Snacks, secondly Lunch, were provided for the medical team as well as volunteers. The programme ended approximately at 4.00 P.M. and at the last, the organizing committee gave a note of thanks to the medical team for the day programme and future to meet for college programmes.

Introduction: Yoga improves strength, balance and flexibility. Slow movements and deep breathing increase blood flow and warm up muscles, while holding a pose can build strength. Yoga is an ancient practice that involves physical poses, concentration and deep breathing. A regular yoga practice can promote endurance, strength, calmness, flexibility and well being. Yoga is now a popular form of exercise around the world. Yoga as a practice has innumerable benefits that positively affects an individual both physically and mentally. Hence our education department has decided to conduct an Add on course programme for the students of our department and other departments so that they can learn the opportunities of Yoga.

Importance of Yoga:

The strengthening and lengthening effects of yoga can improve mobility and function, helping the body to recover from physical injury and the benefits for mental health can lead to improved sleep patterns and enhanced wellbeing, greatly improving your quality of life.

About the programme:

Apart from physical benefits, the incorporation of meditation and breathing yoga practices can help improve our mental well-being. Practising yoga regularly can create mental clarity and calmness, increase awareness, relieve chronic stress, relax our mind and dramatically improve our concentration. These benefits make us realise its benefits. Hence we call a yoga Guru from Vivekananda Kendra Numaligarh, for this programme. –

Conclusion:

Students can learn a lot from the programme .According to the National Centre for complementary and Integrative Health, Yoga is an ancient practice based on the philosophy of promoting physical and mental health that began more than 4000 years ago. Regular asanas helps discipline the mind and body, creating more balanced individuals who are able to take an active part in every day life.It helps reducing stress, improves focus and reduces the risk of various health conditions that occur due to improper diet and poor lifestyle choices. Moreover yoga and meditation do not have any side effects if done properly and under the guidance of an experienced professional.

Introduction:

A FREE HEALTH CHECK-UP CUM AWARENESS PROGRAMME ON HIV/AIDS has been organised by Red Ribbon Club, NSS Unit and RIEC of Marangi Mahavidyalaya on 11.07.22 At Purabangla Bagicha M.E. School. The in-Charges and members of the organising team, College Union Body members along with two grade-IV of the respective cell have arrived the said venue approximately at 9.15 a.m. The school authority has co-operated and given a hall to conduct the programme. Our team then started arranging equipment for the programme. We have announced that the programme would be started at 10.a.m and the people would gather there on that particular time. The College Union Body members have been appointed as volunteers. The medical team from Swahid Kushal Konwar Civil Hospital, Golaghat have also arrived at 9.30 a.m. (approximately). The school authority along with other two colleagues has been present at time. The nearby people have started gathering right from 9.45 a.m. onwards. And also, our college principal along with few assistant professors has been also present.

Objectives:

The main objectives of the programme are:

To aware the nearby village people or areas about the current disease problem and to health check-up from zero age to old age including pregnant lady.

1. To engage those village people (especially the poor people) under the college and to help them directly from the health centre.
2. To have a healthy relationship with the nearby government hospital for further institutional and health activities in the society.

Explanation:

The programme was started at 10.am. Mr. Jayanta Borah, in-charge of NSS Unit hoisted the meeting. Our college principal, Mr. Mohan Boruah was invited to the dais along with the Medical Officer, Dr.ModhusmitaBhuyan. They have been felicitated by PhulamGamusha and requested to keep their valuable speech for the programme. First of all, our college principal thanked Red Ribbon Club, NSS Unit and RIEC of

MarangiMahavidyalaya to arrange such a programme which is very essential for health issues and also thanked the medical team for the co-operation. The medical officer kept her speech by delivering valued words regarding health issues. She spoke up about N.K.Flieties, HIV/AIDS, Covid/Omicron and also other Gynaecologist related health issue. How to keep away from all those diseases and what to do after caught by those diseases? And by keeping time she concludes her speech by saying to co-operate all the people present in the meeting and make the programme success. Then the meeting ended by college principal's vote of thanks.

The Union body who were the volunteers of the program, they collect the names of the participants in the awareness program as well as the patient names, phone numbers and signatures.

Findings:

The free health check-up started right from 10.30 a.m. The first patient was the school authority who was caught by high pressure and cough. Dr. Madhusmita Bhuyan along with her team like medicine chamber looked after by a pharmacist, sample collection was there for other patient by two nurses, two ASHA consultants were there for the pregnant patient and a medical supervisor who had looked after the medical team. Medicines have been given after the check-up if it required or prescribed by the physician. They have done their duty perfectly up to 4.30 p.m. as there were 72 patients on the very day.

The organiser have arranged a tea – break for 10 minutes and lunch break for 20 minutes among the medical team, school authority, organiser team and the union body.

Conclusion:

After the health checked –up ended a short meeting was held. Mr. Chitra Ranjan Mili, in – charge of RRC thanked the medical team for their worked done in the day and how much it was required for the area people which is seen. He also said that why that venue has been chosen and it is due to the school is situated at a roadside pick point, so all the
