Annual E-Governance Report -2021-22

Marangi Mahavidyalaya appreciates the fact that, E-Governance means governance with information technology, and that the increasing demand for transparency in administration, faster information transfer, and other demands can be fulfilled by E-Governance.

The College is implementing e-governance to enhance good governances, which is generally characterized by participating, transparency and accountability, to provide better service in terms of time, making governance more efficient, more effective, to lower the transaction cost, and make services more accessible.

Many initiatives have been taken by the college towards E-Governance, some of which in general administration area:

1. Biometric Attendance for Staff.
2. ERP software is used for data collection.
3. SOUL and N-list is used in the Central Library.
4. WiFi facility in the Campus.
5. Use of Google Platform for data collection from departments/students and for online feedback from students.
6. College is equipped with CCTV Cameras at strategic points.
7. Whatsapp Groups are used for connecting with and eliciting information from students, faculties/staff.

Policy Document on E-Governance

As a higher education institution Marangi Mahavidyalaya has been trying to initiate to facilitate ICT in all the necessary parts of the College i.e. admission, examination, library, official documentation etc. through which manual documentation would like to be minimised. The workflow within different sections or departments should be automated to enable efficient governance in the College in order to serve all the stakeholders.

- A- ICT is used to automate, transfer, and analyze the data or information in the college administration for all the purposes of Admissions, Examination, result, students year wise data , attendance etc.
- B- The Central Library of the College is targeted to be a automated one and as a part of it SOUL, and INFLINET services are provided to meet the same.
- C- The Accounts is greatly benefitted with the use of e-governance while handling the pay rolls, salaries, balance of payments etc. particularly aligned with the Govt. policy of digital payments in the institutions for better accountability and transparency.
- D- The College has been trying to meet together the stakeholders of the college- students, teaching staff, non-teaching staff, alumni under the umbrella of e-governance without space and time constraints.
- E- In order to promote the use of ICT for the purpose of e-governance the administrative staff is trained, and their capacity-building is taken up regularly to use the products and services of e-governance at the college.
