**STUDENTS FEEDBACK AND ACTION TAKEN ON CURRICULUM AND EVALUATION
SESSION- 2021-2022**

The following suggestions are received through the feedback from the students of the department of Sociology. Action is also taken on the basis of the feedback and responses of the students.

Students Feedback	Action Taken
Some portions of the syllabus are very complex to understand	(1) The teachers of the department have made effort to repeat the difficult topics in accordance with the students' request. (2) The teachers have adopted the method of discussing the difficult topics first and then these are given to write down. (3) The teachers have decided to take remedial classes for the students who find difficult some the portions of the syllabus.
The teacher should be more communicative	All the teachers are encouraged to know the various problems facing by the students in their learning process. The teachers have decided to take the classes both in online and offline mode. For regular contact with the students, the teachers have decided to take classes through google meet.
The teachers should discuss the of assignments copies submitted	All the faculties of the department have decided to discuss the problems found after checking the assignment copies. It also has been taken decision to give them suggestions to improve their style of preparing an assignment.
It is observed that the mentoring process should be improved	The faculties have started to discuss the various problems facing by the students (mentees) in case of their inefficiency of purchasing books, financial problems, complexity of understanding topics etc. So, the teachers have asked them to make phone calls at any critical moment facing by them.
