

Media Cell

Media plays a crucial role in today's Society. The media cell of our college is an intellectual and creative hub for the students. Media Cell of Marangi Mahavidyalaya (Degree) is developed in the year 2019, 8th of August. Media Cell engages students who exhibit interest and talent in various activities. Media Cell plays an important role in improving the ranking of the college by keeping in touch with various agencies, websites and our engaging social media marketing through face-book, you tube etc.

Objective of the Cell:

- This cell is responsible for handling Public Relation activities of the college. It caters to the three major domains of the institute including public Relations, website and Face-book page Management and news paper, local news channels.
- Media Cell manages the relation of the institute and keeps the media update with the happenings at the institute. This primarily involves covering various events of the college. Writing press releases, taking photographs and ensuring that each and every event of the college gets its due media coverage.
- The Cell also provides content for periodic updating of the college website. Also college you-tube channel is managed by this cell.
- Media Cell is also closely connected with the various college related festivals as well as during the academic session such as Orientation programme, induction programme etc.
