Teaching learning Cell of IQAC Marangi Mahavidyalaya its Roles and responsibilities.

The Teaching learning cell of the Internal Quality Assurance Cell (IQAC) plays a crucial role in enhancing the overall quality of teaching and learning process within an institution. It focuses on continuous improvement through innovative pedagogical practices, and student engagement strategies. Teaching methods & pedagogy innovation promote the development of learner centric curricula and ensuring alignment with industry and societal needs. It encourages the use of IC T tools, e-learning platforms, and open educational resources.

Student centred learning helps for active student engagement, such as project-based learning, field trips and experiential learning. Conducting feedback sessions to understand student's learning experiences and challenges. In terms of Assessment & evaluation reforms, advocating the use of continuous internal assessment and formative assessments for better learning outcomes. It also encourages alternative assessment methods, including peer group teaching and small group teaching also monitoring teaching -learning processes through structured feedback from students.

By fostering a culture of academic excellence and continuous improvement, the teaching- learning cell of IQAC ensures that teaching methodologies remain dynamic, effective and aligned with the evolving educational landscape.

The "Infrastructure and Learning Resource Cell" of IQAC (Internal Quality Assurance Cell) of Marangi Mahavidyalaya is primarily responsible for evaluating, monitoring, and enhancing the physical facilities and learning resources available to students, including classrooms, laboratories, library facilities, technology infrastructure, and other support systems, to ensure a conducive learning environment and quality education delivery; it essentially focuses on assessing and improving the college's physical infrastructure to support effective teaching and learning activities across all departments.

Key functions of the Infrastructure and Learning Resource Cell:

1. Assessment of Existing Facilities:

It helps to regularly reviewing the condition and adequacy of classrooms, labs, library, computer labs, auditoriums, sports facilities, and other relevant infrastructure on campus.

2. Identifying Gaps and Needs:

The cell analyzes data to identify areas where infrastructure improvements are required, including technology upgrades, maintenance needs, and new facility development.

3. Planning and Budgeting:

It creates a strategic plan for infrastructure development, including cost estimations and resource allocation to address identified needs.

4. Implementation and Monitoring:

Overseeing the execution of infrastructure projects, ensuring timely completion and adherence to quality standards.

5. Technology Integration:

Evaluating and promoting the use of technology in learning spaces, including smart classrooms, online learning platforms, and digital library access.

6. Sustainability Initiatives:

Promoting environmentally friendly practices in infrastructure development and maintenance.

Important aspects considered by the cell:

Accessibility: Ensuring all facilities are accessible to students .

Maintenance: Regularly monitoring and maintaining infrastructure to ensure optimal functionality.

Space Utilization: Optimizing the use of available space to maximize learning opportunities.

Few of the supporting documents of the cell are---

Summary of the Criterion-7: Institutional Values and Best Practices

Institutional Values and Best Practice Cell is an important cell under IQAC of Marangi Mahavidyalaya. This Cell has been taking several initiatives to promote Gender equity in the College and the Society. Therefore several committees like Grievance Redressal Cell, Women Cell, Anti- Ragging Cell, Psychological Counseling Cell, Gender Sensitization Committee etc. have been working for Gender equity. This Cell always takes steps to community development initiatives, empowering knowledge and skill to the students as well as to the people of surrounding area.

In the year 2023-24, this Cell organized two programs namely students' corner for their earnings and Two Days workshop on Soft skill in the nearest Somoni village for the women. Both two programs were successfully completed and fulfill the objectives.

This Cell provides the facilities in the institution for the management of different types of wastes through using dustbins and the project of Vermicompost. This Cell has made some efforts in case of environmental harmony, linguistic, communal harmony with the cooperation of students, teaching and non-teaching staff and the authority.
